We hope that within these pages you will find the photographs and words to help recapture the spirit of this year.

This book is your only permanent record of a memorable year. Don't forget to use it again:

to remember a face
to recall a place
to relive a game
to remember a name

Enjoy the memories. Their value will increase with the passing years.

Class Data

Class Flower:
White carnation tipped in lavender

Class Colors:
Lavender and Ivory

Class song:
The Way We Were

Class Motto:
Let us remember today
with an embrace of the past
and a longing for the future.

Mem'ries light the corners of my mind.
Misty watercolor memories of
The Way We Were.

Scattered pictures
Of the smiles we left behind,
Smiles we gave to one another
For The Way We Were.

Can it be that it was all so simple then,
Or has time rewritten every line?
If we had the chance to do it all again,
Tell me, would we? Could we?

Mem'ries may be beautiful and yet,
What's too painful to remember —
We simply choose to forget.

So it's the laughter
We will remember,
Whenever we remember
The Way We Were;
The Way We Were.

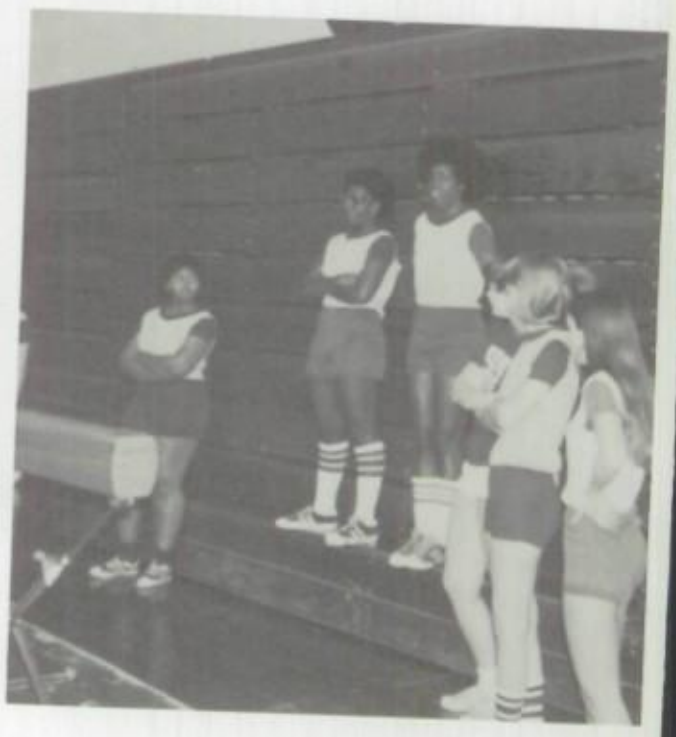
The Edge Of The Universe



On the previous pages, we, the yearbook staff, have tried to give you a vivid picture of the 1977-78 school year at Mount Union Area High School. We hope you find this book full of precious memories . . . It can be used as a reminder of your school years . . . But, now, we the seniors, can open this book and look through the well-worn pages and truly see, The Way We Were.
